**LEGAL NOTICE PURSUANT TO THE
CLASS PROCEEDINGS ACT, 1992, S.O. 1992,C.6**

THE NATURE OF THE LAWSUIT

A class action has been commenced in the Ontario Superior Court of Justice against Dr. Elliott Thomson Barker, Dr. Gary J. Maier and Her Majesty the Queen in Right of Ontario in respect of alleged human experimentation conducted on patients at the Penetang Psychiatric Hospital, Oak Ridge Division between 1965 and 1979.

The proceeding has been brought on behalf of Danny A. Joanisse and Vance Hamilton Egglestone (the "Representative Plaintiff"), by their solicitors, *Rochon Genova*. The Representative Plaintiffs claims damages against the Defendants for assault, negligence and breach of fiduciary duty. The Defendants deny the Plaintiffs' allegations and have stated that they will defend the action and will deny any wrongdoing and liability for damages. This notice does not mean that the Court has taken a position as to the likelihood of recovery on the part of any Plaintiff, or as to the merits of the claims or defences asserted by either side.

This notice is being provided because you may be a member of the Class whose rights may be affected by the lawsuit.

THE CLASS

By Court Order, the Class to which this lawsuit applies has been defined as follows:

- “(a) All individuals who were incarcerated at Oak Ridge Division of the Penetang Pyschiatric Hospital in Penetanguishine, Ontario [hereinafter “Penetanguishene”] between 1968 and 1979 and who participated in the Motivation, Attitude, Participation Program (“M.A.P.”);
- “(b) All individuals who were incarcerated at Penetanguishene between 1968 and 1979 and who participated in the Total Encounter Capsule Program (the “Capsule”); and
- “(c) All individuals who were incarcerated at Penetanguishene between 1965 and 1979 and who participated in Defence Disruptive Therapy (“D.D.T.”).”

THE COMMON ISSUES

At present the class action will determine the following issues:

1. Whether human experimentation took place at Pentaguishine, and if so, what was the nature, duration and extent of that experimentation?
2. Whether the Defendant Doctors breached a duty to Class members?
3. Whether the Defendant Crown breached a duty to Class members?
4. Whether the Class is entitled to an award of punitive damages from one or both of the Defendants?

Class members may be entitled to receive financial compensation for the Defendants if the class action is successful.

The Representative Plaintiffs have entered into an agreement with their solicitors whereby fees and disbursements related to the trial of the common issues will be payable only in the event of success in the class action. Any fees charged by the solicitors for the representative Plaintiffs must be approved by the Court.
